TOURNAMENTS OF

MONTPELLIER HANDBALL

SEASON 2026-2027

More than just tournaments.
High-level experiences.

At Montpellier Handball, we believe a tournament is about much more than rankings or a series of matches.

It's a weekend spent preparing and competing together, discovering new teams, taking on challenges and creating lasting memories. It's also an opportunity for players to face new opponents, for coaches to share their experience, and for an entire club to come together and celebrate the game of handball.

With this spirit in mind, we have created three tournaments, each with its own identity: **the Bernard Liautard Tournament, the Talents Cup and the MHB CUP.**

Three formats, three atmospheres, three ways to experience handball in Montpellier, all built around the same commitment: **to offer clubs high-quality sporting competition, excellent organisation and a warm welcome.**

On and off the court, we want every participant — player, coach, team staff member or volunteer — to make the most of their time in Montpellier and leave with **memories of a fantastic tournament… and the desire to come back.**

So, whether you're looking for competition, discovery, sharing or simply a great weekend of handball, **find the MHB tournament that's right for your team and get ready for an unforgettable experience.**

See you in Montpellier ?
The game is yours.
